The 3M Cloud Library

There are two ways to use the library once installed :

- From the 3M Cloud App on your device
- From the regular Allerton Library Online Catalog

Using the 3M Cloud App

You can browse, checkout, and read titles directly from the 3M app on your device.

Finding an eBook

There are three ways to search the 3M Cloud Library

- Shelves tab: recommended and recent titles
- Categories tab: titles sorted by category for easy browsing
- Search tab: keyword search

Checking out an eBook

- Tap or click the cover art.
- Tap or click the **Check Out** button.

The title will be added to the bookshelf for every device on which you've installed the 3M Cloud app.

Placing a Title on Hold

- Tap or click the cover art.
- Tap or click the **Add to Hold List** button.
- If you want to receive an email notification when the title is available, choose "Yes, notify me" and enter your email address.
- You will have 3 days from the time you are notified of a hold to check it out. If the hold is not checked out within 3 days, it will be passed on to the next user.

My Books Tab

The My Books tab shows the titles currently checked out to you on the top half of the screen and titles you have on hold in the bottom half.

Using the Allerton Library Catalog

3M Cloud eBooks are included in the Allerton Public Library Online Catalog right along with print books, books on CD, DVDs, and music CDs. You can browse and check out 3M titles the same way you do with all items in the catalog. **Audio books are not yet available to download directly from the 3M Cloud Library.**

Finding an eBook

1. Click **Search for Books, Movies, and Music** on the library website, www.monticellolibrary.org, under the Online Catalog link
2. Search the catalog just as you would for any title, author, or subject. Any 3M titles that match your search criteria will appear in the search results along with other library items.
3. 3M titles are indicated by the 3M logo to the right of the title information.

*Note: to find only 3M titles, enter **3M** in the search bar and select **eBook** under "Limit by."*

Checking out an eBook

Click the **Checkout** Button to the right of the title information. Log into your account (library card number and pin) if prompted to do so.

The title will be added to the list of items checked out to your account and to the 3M Cloud bookshelf for every device on which you've installed the 3M Cloud app.

Placing a Hold

Click the **Add to Hold List** Button to the right of the title information. Log into your account if prompted to do so. The title will be added to your list of re-

Returning Titles Early

3M Cloud eBooks will be removed from your device(s) automatically at the end of the 21-day loan period.

If you are finished with a title before the loan period expires, you can return it early for the next patron to read.

Items can be returned using the 3M Cloud App on your device or within your account in the Allerton Library Online Catalog.

1. "Login" using the link on the library website, www.monticellolibrary.org
2. Select **Items Out** from the **My Account** menu. Log into your account if prompted to do so.
3. Click the **Check In** button for the title you wish to return.
